LETTER

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

In confirmation of a telephone discussion with the Examiner on 22 July 2004, it is Applicant's understanding that the Japanese patent reference cited in the Office action mailed on 28 April 2004 (Paper No. 20040406), including PTO-892, namely JP04-161340, is in error. The Office action mailed on 28 April 2004 (Paper No. 20040406) is therefore now negated, and that a new office action citing a correct Japanese reference is forthcoming. If the Applicant's understanding is incorrect, the Examiner is respectfully requested to telephone Applicant's undersigned attorney at the below listed local telephone number.

Respectfully submitted,

 Robert E. Bushnell,
 Attorney for the Applicant
